## HOLIDAY HOMEWORK CLASS- V

**Dear Parents,**

Holidays are time when you can connect with your child in many ways. As you are your child's first and most important teacher, you can encourage your child learning by participating in different activities at home. Working together will help your child build confidence, learn to reason and develop skills necessary for his/her education. Holidays can be utilized for activities which are difficult to do during the school routine.

- Take them for morning walk.
- Read books with them.
- Tell them stories from the Panchtantra or Indian Mythology.
- Teach them games like carrom, ludo, scrabble so that they do not watch too much T.V.
- Allot a fixed time for T.V.

**Note :-**

- Students will have their summer vacation from 1st May to 30th June '19.
- School will reopen on 1st July '19 (Monday).
